*Allegro students are expected to read music, be able to follow a conductor, and should have a working knowledge of all strings and 1<sup>st</sup> position finger patterns. Approximate level: Suzuki or school orchestra book 2 or 3. Most Allegro students have studied for two or more years and take private lessons, and play in their school orchestras if available. Rehearsals are Monday evenings 6:30-8 pm, with additional sectionals and dress rehearsals as scheduled. Seating is rotated frequently. Allegro has two formal concerts per season as well as some added community connection performances at area preschools and retirement homes.*

The \$220 fee covers instruction for the season, sectionals, music use, a tshirt, and 5 concert tickets. A \$20 Deposit will hold a space for you until the registration night on Sept. 18<sup>th</sup>, when the remainder is due. If you prefer you may pay the entire fee now.

Please return by Sept. 12<sup>th</sup>. After Sept. 12th we will accept registrations only if space remains.
